

Gateway District – Denver Area Council  
 Adult Leader Recognition  
**Rookie of the Year**

This award is given to the Cubmaster, Scoutmaster, Varsity or Venture Advisor who has served at least six (6) months in their respective units. Nominees must have attended basic leader training. The selection is based on exceptional effort in his or her first year as a unit leader in the Scouting program.

The nominee must have been in his or her position for the **FIRST TIME EVER** - they may have been in scouting for a long time, but this is the first time they've been a Cubmaster, Scoutmaster, Varsity or Venture Advisor.

All nominees are confidential. To avoid possible disappointment, and to maintain an element of surprise, do not advise the nominee of your actions. We will notify the point of contact if the person is selected. This award will be presented at the Gateway District Adult Leader Recognition celebration.
