Day Time Activities (subject to change)

- Ice Fishing
- Broomball
- Scout Curling
- Snowshoeing (bring your own)
- Sledding
- Snowball Slingshot
- Iron Chef
- Service Project

Ice Fishing

During the day on Saturday join a professional fishing guide on the lake for ice fishing venturing style. Gear will be provided all you have to do is show up.

Sledding

Bring your own sled, Per Camp Tahosa Policy any one sledding must wear a helmet.

Iron Chef cook off

Iron Chef: This year's Iron Chef Competition is a dessert! Plan with your crew what you want to cook; dutch oven and charcoal is provided. The challenging part of this activity is your crew will be split up! There will be even groups made up of different crew and troop representatives cooking one meal together. The dessert they will be cooking will be randomly assigned out of the dessert meals that are brought by the crews and troops. Please bring a set of instructions with each of your desserts to avoid cooking confusion.

Sleeping Arrangements: (must select during registration)

- Indoor sleeping accommodations available, building assignments will be given out at check in.
- Participants may choose to bring their own tents and gear to sleep outdoors
Plan accordingly for the weather.

What the Crew Should Bring

Copy of all members' medical form Part A and B (Collected at check-in, returned at check-out)

Items needed for Iron Chef Cook Off

Board games, card games & movies (winter and fantasy themed) for evening activity time

What Each Participant Should Bring

- Field (Class A) Uniform
- Weather appropriate clothing (those dressed inappropriately will remain indoors*)
- Warm hat
- Warm Gloves
- Sleeping bag
- Sleeping pad
- Tent (if sleeping in one)
- Waterproof boots
- Personal care items
- Water bottle
- Sunscreen
- Scouting essentials

*A scout is prepared, so pack accordingly for weather conditions, Camp Tahosa is at 9000ft. elevation and has a wide range of temperatures and weather.
