INTRODUCTION

Welcome to the Klondike 2024 event for the Frontier/Alpine/Valley Scout Districts

The Klondike is a special winter event for our scouts each year. Scout units will camp out over the weekend, Friday-Sunday. Webelos will arrive early Saturday morning and spend the day. Please note that unlike our recent Camporee, this activity is only for Webelos, no other Cub Scouts.

The theme this year is A Day At the Beach. Have fun with this! Bring a beach ball, wear Hawaiian shirts over your gear. Create a tropical theme for your sled! Some Klondikes have been snowy but some have been so nice you might as well be at a beach!

Troops also have the option of coming just for Saturday if they desire. During the day, Patrols/Dens will participate in events, some tried and true and some new. The events have been designed to test Scouting skills, mentally and physically. All the events will be graded/timed unless otherwise noted to determine King of Klondike. There also will be awards for the Scout Patrol winning the "King of the Klondike" award.

Interested Webelos 1 or 2 attend Saturday as qualification for their Arrow of Light Award must attend at least one event with a Scout BSA Troop. Webelos 1 & 2's can also work on the Denver Area Council Akela Award by attending more than one event along with other requirements.

LOCATION: - Reverend's Ridge Campground Golden Gate Canyon State Park

The Klondike Games will be held at Reverend's Ridge Campground (off of Hwy 119), Golden Gate Canyon State Park (west side), northwest of Golden.

- See enclosed map-make copies for your drivers.
- The address for the campground is: 313 Reverends Ridge Rd, Golden, CO 80403
- Map link: <http://mapq.st/2fdzX5S>
- DO NOT go to the park headquarters.
- GPS coordinates are N 39.87113 W 105.44647

Registration for the camporee will end on Feb. 6 with no late registrations accepted.

For Scout units who will be camping, campsite selection will be done during registration and is first come-first served. Those units who volunteer to staff an event station will have first choice of campsites when attending staff meetings.

Once you have registered on-line, John Beattie (jvbeatt@q.com) will contact you to select a campsite. You **MUST** select a campsite before arriving at the Klondike. By selecting your campsite ahead of time, everyone in your unit should know where to go to set up camp.

MEDICAL AND ROSTER FORMS

EVERY person attending the Klondike must have a completed medical form.

To obtain the most current version of the medical form, Parts A&B go to this link:

https://filestore.scouting.org/filestore/HealthSafety/pdf/680-001_AB.pdf

All Medical forms will be turned in at check-in (see #4 below). Medical forms will be returned with your patches and ribbons, upon departure, on Saturday or after Sunday Scouts Own services. The exception is if a participant is treated by our medical staff.

A roster (see last pages below) must also be turned in listing all participants, youth and adults.

CHECK-IN UPON ARRIVAL (Cabin #2);

- FOR SAFETY REASONS, IT IS VERY IMPORTANT THAT EVERY UNIT CHECK IN AT HEADQUARTERS, CABIN #2, AS SOON AS POSSIBLE AFTER ARRIVAL AT THE KLONDIKE.
- Please bring your previously paid receipt.
- Be ready to pay for any additional participants, checks or exact cash is required.
- Have medical forms for ALL participants and a unit roster listing the youth and adults that are attending the event. See enclosed form. Troops may arrive after 2:00 PM to set up camp.
- You MUST have previously selected a campsite. Scout Troops are to proceed to their designated campsite, then send one adult to Headquarters (HQ) (CABIN #2) with necessary fees and paperwork.

Webelos are to park first and then have one adult come to HQ (CABIN #2) with necessary fees and paperwork.

Registration is at Cabin #2 and will open at 4:00 PM on Friday.

PARKING AND UNLOADING

- Due to park regulations and the volume of traffic we create, unloading and parking can be a slow process.
- PLEASE, follow the directions of the traffic control people and be patient! Scout Units who are camping, will park at your campsite and vehicles are to be parked on the right-hand side of the road as you enter.
- Webelos and other day visitors will park on the main campground road, not in the campsite loops, on the right side as you enter. Please CARPOOL. Parking is limited. For safety reasons, cars are not to be moved until departure. Each vehicle is to have a Parking Pass, see enclosed form. Please make necessary copies for your drivers.
- Please note that the purchase of a State Park Pass is NOT required unless you plan to visit other locations within the park.
- All vehicles to be parked per park regulations. Vehicles may "tail in" park at campsites. Vehicles park on the right side of the road in all other locations. This will make leaving the Klondike venue as easy as possible in the event of an emergency.

CAMP SET UP AND TAKE DOWN

- Troops may arrive after 2:00 PM on Friday to set up camp. Units should plan to depart by 10:30 AM Sunday.
- There are to be no tents, tarps etc. tied to any trees or structures. It is expected that all participants are to be sleeping in tents. No travel trailers or buses are to be used. If because of unique circumstances (health), it is required, prior arrangements must be made with Eric Lupo 303 809 9298

FIRES AND WATER

- Wood fires are only allowed if they are in the established fire grates. No wood will be available at the campsites. Wood gathering is not permitted. Use of stoves or charcoal for cooking is strongly recommended.
- NO OPEN FLAMES IN TENTS. This includes no cooking in tents.
- ALL ASHES ARE TO BE TAKEN HOME.
- There is no running water available, so please plan on bringing your own. Dehydration can occur just as fast in cold weather as warm weather, so be sure to bring extra water.
- Bring what you will need for the event.
- Webelos are to bring at least 5 gallons for their group.

There is no running water available, please bring your own.

FIRST AID (Yurt #1)

- First Aid emergencies should be directed to the First Aid station, located at Yurt #1. The individual unit should handle all minor first aid opportunities. First Aid members will also be walking around the events on Saturday.

DO NOT CALL 9-1-1! CONTACT STAFF FOR ALL EMERGENCIES.

We will have trained medical and other emergency response staff present on site. They will be able to respond very quickly to an emergency.

Calling 9-1-1 may cause confusion and delay as the responding agency may not be familiar with the camp so getting them to the necessary location will be difficult. On-site resources can respond much more quickly, assess the situation and call-in appropriate additional outside resources as required.

WEBELOS IN CAMP

- Scout Troops are encouraged to invite Webelos to the Klondike. Webelos should NOT plan to stay the night. All Packs will need to send ONE adult to check in at Headquarters, HQ Cabin #2, upon arrival. Please arrive prior to 8:30 AM. Webelos' events will start at 9:15 AM, after their flag ceremony

SCHEDULE

- A schedule is included with this packet
- It is subject to change, but it is our best effort currently.
- If changes are made an updated copy will be provided via email after you have registered.

Make copies for ALL of your participants.

AWARDS

- The top 3 patrols/dens for each station activity will be recognized. Please note that the scoring will be separate for the Scouts BSA and Webelos. Webelos recognition will be given out at your district Roundtable.

LATRINES (sanolets)

- Latrines will be provided for all campers to use.
- There will be some designated for ladies, please be courteous.
- Remember no trash is to be put in the latrines.

TRASH

- ALL UNITS MUST TAKE THEIR TRASH HOME!!!
- The trash receptacles that exist in the campsites are NOT to be used. Points will be deducted during campsite inspection. THIS INCLUDES ANY FIRE ASHES. Established fire grates should be cleaned out as well, prior to departure. Remember to leave your campsite in better condition than you found it upon arrival. Remember "Leave No Trace Principles".

CAMPSITES

Each Troop will be assigned a campsite(s), as noted above after you register, but you still must check in at registration prior to 8:30 AM Sat., to finalize your attendance numbers. If not done, points will be deducted for camp inspection and patches may be held until your district Roundtable.

This is a critical safety issue.

PARTICIPATION RIBBONS AND PATCHES

- Any unit leaving Saturday must check in at **Cabin #2** to receive their ribbons and patches. Those who are camping will be given theirs after the church service on Sunday.
- Webelos event ribbons will be presented at your district Roundtable

FOOT PROTECTION

ALL PARTICIPANTS MUST HAVE PROPER FOOT PROTECTION

- ANY PERSON WEARING TENNIS SHOES or inappropriate footwear should not attend and **WILL BE SENT HOME**

LOST AND FOUND

- Will be located at Headquarters (HQ)- Cabin #2.

EVERYONE LABEL YOUR GEAR SO IF LOST IT CAN BE RETURNED TO YOU!

WE ARE GUESTS OF THE STATE PARK

- A couple of items that need to be adhered to; No tying of tarps, tents, etc. to trees.
 - Observe, but do not feed or harass any wildlife.
 - Pick up trash regularly, which will help in the amount of trash found when the snow melts, as well as keep the animals from looking for your food.
 - Use the portable toilets provided. Park restrooms will be closed.
 - No use of snow plows or snow blowers are to be used to clear campsites or roads.
- A VOLUNTEER UNIT IS REQUESTED to perform a community service of checking the campgrounds, on Sunday, to be sure that we have left the area clean. Please contact Klondike Senior Patrol Leader to volunteer.

WEBELOS CAMPING AND CROSSOVERS

- It is understood that some Webelos may have already crossed over into a Boy Scout Troop by the time the Klondike is held. It is highly recommended; the Webelos den/patrol come to the Klondike as their Webelos den/patrol and participate in the Webelos events. Typically, Webelos have not had enough camping experience to spend the night in below freezing temperatures and hopefully below zero weather. This final decision though, will be left up to the Scout's parent(s) and the Scoutmaster of the Troop.
- The events are organized and run by the Scouts BSA on a volunteer basis. It is requested that adults do not interfere with the Scouts BSA who are running the event. If there is a problem, it should be brought to the attention of the adult advisor at the event or the Klondike Senior Patrol Leader.

WEATHER AND ROAD CONDITIONS

- To obtain weather and road conditions, starting Friday afternoon, please call 720-448-6313 for a recorded message. The message will be updated as the conditions warrant.

MAKE ADDITIONAL COPIES

- Make necessary copies of this packet for your needs. This leader's guide will also be posted on the Frontier/Valley/Alpine District Website/Activities, a link from the council website.
- Also make copies of schedule, driving directions, parking pass, participant roster, campground map, and registration form. ALL FORMS ARE LOCATED ON PAGES AT THE END

PARADE OF SLEDS

- At 12:30 we will hold the parade of sleds Scout patrols and Webelos dens will be judged separately

SCOUT BSA SECTION PROGRAM ACTIVITIES – SCOUTS BSA

- Saturday morning prior to the flag ceremony, patrol registration will take place, located at cabin #2. Each patrol will be assigned a Patrol number. Events will test your Scouting skills. Scouts BSA should bring patrol flags and bring their great Scouting Spirit.
- You **MUST** follow the sequence you are given. If not, you will be asked to go to the correct event.
- Upon completion of each event, your Patrol Sheet will be signed, by the event leader.
- This sheet will show in what rotation your patrol is to follow between event stations.
- Your Patrol Sheet **MUST** be turned in upon completion of all the events, to cabin #2 and prior to 5:00 PM Saturday. Otherwise, no scores will be registered. This enables the staff to know that all patrols are accounted for, again for safety reasons.
