

**Hello Scouters!**

**Thank you for signing up for this years online Merit Badge University (MBU). We are excited to offer a wide range of both Merit Badges (MB) and adult training to the Three Rivers District and beyond! To make this happen we are constantly evaluating and hoping to simplify the process for you all to get the most out of MBU while making sure we keep our standard high for completing the MB. To accomplish this we have gone through and revised how individual schedules work.**

**This year we will be releasing our master schedule. This schedule shows you when all the synchronous (live) and asynchronous (self-paced) MB will be. A list of Zoom links as well as Canvas links will be released on Thursday by 11:59 pm. To view it please use the QR code/link provided in this announcement.**

**Please Note: If you miss a class or have a class conflict (ex. Can't make it to one class because you will be sleeping or because it conflicts with another MB) that all classes will be asynchronous. This means that you will be able to watch a recording of the live lecture and complete the merit badge on your own time! All adult training will be synchronous(live), if you miss the training go to [my.scouting.org](https://my.scouting.org) and you can do the trainings on there.**

**Any questions don't hesitate to reach out,**
