Venturing Officers Association (VOA) actively seeking VOA Officers for 2017/2018.

The VOA is a group of venturers that meets at the District, Council, Area, and Regional levels and provides support for your Venturing Crews. The VOA is youth run as almost all of Venturing programs are intended to be, and a strong VOA is required for the success for venturing on a council level.

The VOA Officers will be 'timing out' in June, and we are looking to fill the following positions:

- VOA President
- Vice President of Programs
- Vice President of Communication
- Vice President of Administration
- Treasurer

You do not have to be an officer in your Crew to apply or attend meetings, any Venturing Youth can apply for these positions.

If you are interested in becoming a VOA Officer, please complete the application (**last page of the Venturing Times**) or that is on the Venturing Web page (www.denverboyscouts.org – click Youth Programs and click on Venturing).

At VOA meetings, much of the planning for venturing activities on a council level happens. (Think about The Snow Snake Rendezvous, The Absurdly Formal Ball, etc.) Attending VOA meetings would give you an opportunity to participate in planning of those Venturing activities and opportunities, and empowers the youth to truly make Denver Area Council's Venturing Program what we, as youth, want it to be. The VOA currently meets at 7:00 p.m. on the 2nd Thursday of every month at Hamilton Scout Headquarters.

You can contact the VOA Advisor, Dean Stephens [deanstephens62@gmail.com] for more information or if you have any questions.

New Procedures for Tracking Venturing Awards!

Rick Baldessari, Advancement Chairman, would like to be notified when Venturers receive any awards, especially the Ranger Award. As Venturing Awards are not being tracked by BSA, it is hard to know, as a Council, how many awards are being earned by Venturers.

Reminder that the Summit Award requires a Board of Review (BOR), and a District Representative must be a part of that BOR.

You can contact Rick directly with this information, or if you have any questions. [Rick](#) can be reached at 303-423-1887.

Kullman Scholarship Fund

DAC Venturing has a scholarship fund, named after John Kullman. John was instrumental in bringing Venturing to the Denver Area Council.

This scholarship has been used in the past to allow crew members who wanted to attend Jamborees, X-Games, Snow Snake Rendezvous or another Venturing activity. There are a limited number of funds available in the [John Kullman Scholarship](#) - a scholarship fund set up to help Venturers make it to camping activities.

The 'Venturing Green Kullman Scholarship Fund Bucket' will be passed at all events – and will also be available at the Scout Show – on the Venturing Program table. We hope you will stop by and donate!

We hope that you will be able to help us once again build the fund and assist others who may otherwise not be able to attend these fun, memorable, leadership building opportunities.

Contact Becky Elzas for more information.
