

# BOY SCOUTS OF AMERICA®

## DENVER AREA COUNCIL

### Jewish Committee on Scouting

Minutes

01/23/14

Opening  
Pledge of Allegiance

Dvar Torah – Hyiam

Famous Phrase – we will do and we will listen (regarding the Torah)

If it's each individual responding; shouldn't it be "I will do, and I will listen?"

Why is it "We?" –

Group stuck in the desert; in bad shaped; rest of the group finds them. Offers them a bottle of water. Stranded person says "Yes, we would like water." So everyone of us would like to do it; it's obvious.

Same with the Torah; we speak for everyone else. This is what's right.

This can apply to scouting as well.

It's a no brainer.

Review the December meeting minutes – Accepted; Shawn please publish when you can.

Old Business

Recognition for Jewish Scouts - Certificates have been signed, to be distributed.

Shawn sent Mike the certificate; he signed and sent them back. Shanw should have them soon.
