Parsha for this week

Status of Temple Sinai and pairing them up with Emanuel?
No new word from Alberto (Alberto.Rodriguez@scouting.org) or Rabbi Black. Greg will follow-up before the next meeting.

Planning our Chanukah activity for December (Still TBD if it will work)

**If we don't have a vaccine do we want to go virtual for this? Or spread people out; set a limit; no walk-ins and we'll do it in a socially distant safe way. CAP might work; but Shawn will see if we can do it without it costing us money we don't have. Minimal fee?
– Revisit this in the future; let's see what's happening.**

Time – Date – Locations are the first order of Business.

Date: December 13th, 2020

Time: Let's do 10 AM – 1 PM.

** We need a new location ** cannot use CAP for free.

Location Options: (ideas?)

- ~~Colorado Adventure Point~~ – No longer free or low cost
- DAT
- BMH/BJ
- The Jewish Experience – Ask Dave Reynolds about this.

Note: New Scout Executive might be amenable; may follow-up to see if they would cover it.

We'll wait to nail down more things about this until we know what's going on with Covid-19; maybe we can do a virtual Kinus. Plus we can build some of the items like the channukias and provide those to the participants later.

Activities:

Kitchen – make Latkes

Bring Dreidels

Bring Menorah, Candles, and Lighter

Play GaGa – maybe not if not at CAP?

Make a Menorah -

- Use Shell casings for candle holders - .380, 9 mm, all around the same diameter – Greg will

collect those. Use 9 MM for most; a .38 for the Shamash.

- Can't use a wood base; we'll need to use metal because the shell casing gets hot and can catch wood on fire.
- We have a welding lab – let's weld them to a piece of metal as an activity. – need a copper, aluminum, or brass base.
- Metal 12 Gauge case would work too; use it with a Shabbat candle for the Shamash. – Tell Sam to collect some casings for this.
- 1" Copper Conduit or Copper Pipe – split lengthwise that could be our base and then we solder the shell cases to that. With the arch facing up. If we can't solder we could drill and attach it with a screw or a bolt and nut.

Religious Award

Sopapilla instead of donuts

Supermarkets have a kosher Sopapilla mix

Get the kettle or a Dutch oven on the burner

Get the burner

Get oil

Follow-up with Sammy Strear to see if he got his Eagle Rank award fixed. Is there an Eagle COH date? The paperwork has been taken care of. Sammy's COH will be virtual – date yet to be determined.

Mike will the family know we can help with scripts, etc. Reach out to Dave Reynolds and Greg Ostravich if they need anything.

Thoughts about how to manage a virtual COH for Sammy?

Do we do it via Zoom.

Strict Agenda – transition for each one; script with those listed.

Master of Ceremonies keep things moving; orchestrate everything.

Speakers all have the list of who is speaking and the script.

Keep it simpler than an in person Eagle COH.

Still relevant and complete but condensed.

Any new business?

Next Meeting: August 27th (last Thursday) at 6:30 PM –

Note: September's meeting might be during the High Holy Days;
discuss it this month or address it in August?
