

BOY SCOUTS OF AMERICA®

DENVER AREA COUNCIL

Jewish Committee on Scouting

Agenda
08/12/2014

Attendees: Hyiam, Mike, Shawn, Dave

Opening

Pledge of Allegiance

Dvar Torah – Hyiam – Toward the end of this week’s parsha, it instructs us on how to treat a body found between two cities. The elders from the city closest to the body have to swear they did not spill the blood of the victim. The question is why would the elders of the city need to swear they did not spill this person’s blood? Commentators say they need to swear because they are the leaders of the community and they are responsible for all people living and travelling through the city. It is important for us as Scout leaders to remember we are responsible for our youth in the same way.

Review June meeting minutes – Move to accept by Hyiam, approved
