

Society of American Military Engineers, Pikes Peak Post hosts  
**Boy Scout Engineering Merit Badge Day**

SAME Pikes Peak Post will be hosting an engineering merit badge day for Boy Scouts at the U.S. Air Force Academy. Counseling and activities will fulfill the badge requirements.

**Date:** October 3, 2015

**Time:** 8:00 AM to 5:00 PM (some scouts will be ready for pick up as early as 4:30 PM)

**Location:** US Air Force Academy, drop off / pick up at Arnold Hall, directions will be provided to registered scouts via email

**Costs:** \$20 (For lunch and lab materials)

Please use the link below to register for the clinic.

**Requirements:**

1. Registered Scouts will be emailed the pre-requisite assignment to be completed prior to arrival.
2. Bring open blue card that has scout information filled in, you will have a counselor assigned at the clinic.
3. Bring water bottle.
4. Wear closed toe comfortable walking shoes & long pants.
5. Some sessions are outdoors and scouts will have to walk around campus outdoors. Dress appropriately.
6. Lunch will be provided for registered boy scouts only.
7. Adults are welcome to attend for free, however, no lunch will provided for adults.
8. The clinic will be held in an Air Force Academy secure area so:
  1. There will be NO late arrivals or early pick-ups.
  2. Adults that come along also will not be able to arrive late or leave early.
